Said bonds shall be subject to registration in the name of the holder as to principal, on books kept for that purpose in the office of the Comptroller of Public Accounts, as evidenced by the endorsement upon the back thereof, and after such registration the principal thereof shall be payable only to the registered owner, his legal representatives or assigns. After being registered such bonds may again be made payable to bearer by endorsement thereon, and such bonds shall continue subject to registration and to payment to bearer at the option of the holder. The coupons attached to said bonds shall be and continue payable to bearer.

Sec. 2. The Texas Relief Bonds, herein issued, shall be sold by the Texas Bond Commission, heretofore created by Chapter 37, Acts of the First Called Session of the Forty-third Legislature, in the following manner:

The State Board of Control shall make application to the Texas Bond Commission for the sale of such part of said three million five hundred thousand dollars (\$3,500,000) of bonds, as, in its judgment, is needed to procure State money necessary for the relief of the unemployed and needy, and upon the filing of such application, said Texas Bond Commission shall sell the amount of bonds so requested by the State Board of Control. Upon further application of the State Board of Control, said Texas Bond Commission is hereby directed to sell additional bonds in the amount so applied for. Upon the sale by the Texas Bond Commission of any part of the three million five hundred thousand dollars (\$3,500,000) of Texas Relief Bonds, as herein provided for, the said Bond Commission shall by order provide that said installment of bonds shall mature over a period of eight (8) years beginning with April 1, 1936, and shall mature approximately in the same proportions as set out in Subsection "C" of Section I hereof. The order of the Bond Commission

designating the maturities shall be entered upon the minutes of the Commission. In no event shall the total amount of the bonds sold under authority of this Act exceed a total principal amount of three million five hundred thousand dollars (\$3,500,000). No bonds, as provided for hereunder, shall be sold from and after the 26th day of August, 1935. It is further provided that no officer, or officers, board, commission, or any person whatever shall borrow from any government, or from any source, or permit advances of any amount whatsoever, for any of the purposes stated in Section 51-a, Article III, of the Constitution, in anticipation of the future issuance of bonds, and any such loan or advance shall be void, and shall create no obligation against the State of Texas, and any officer of the State of Texas or any officer or member of any board or commission of the State of Texas participating in such attempted loan or advance shall be guilty of high crimes and misdemeanors.

Sec. 3. The bonds authorized to be sold by this Act shall be sold by the Texas Bond Commission at a time and a place to be designated by the Bond Commission, and, after advertisement, published in three (3) newspapers of general public circulation in the State of Texas, which publication shall be made once, at least one (1) week prior to the day fixed for the sale of the bonds, the advertisements specifying date, amount, and maturities of the bonds, the rate of interest, and such other provisions as the said Commission may deem proper, provided that the notice of sale shall contain proper provisions offering said bonds on basis of different and various rates of interest, none of which shall exceed a rate of four per cent (4%) per annum. Said Commission may in its discretion publish a similar advertisement in one (1) newspaper of general circulation outside the State of Texas. Offers for said bonds shall be made upon sealed bids filed with the Secretary of said Bond Commission and accompanied by such earnest payment as the Bond Commission may direct; the said Bond Commission shall reserve the right to reject all bids, but in the event a bid is accepted, the State Treasurer, on order of the Texas Bond Commission, is directed to deliver said bonds to

the purchasers when he shall have received, for the credit of the State of Texas, current funds of the United States in the amount of the accepted bid for said bonds, which shall in no event be less than par and accrued interest. In the event bids are not received for the purchase of all or any part of said offer of bonds or in the event the Bond Commission rejects all bids for any or all of said offer of bonds, said Commission may readvertise said bonds as above provided, or may, in its discretion proceed to sell at private sale all or any part of same to the Reconstruction Finance Corporation, or to any other governmental agency or to any person, firm, or corporation for cash and in such manner as shall be provided for by the Bond Commission, provided, however, that none of said bonds shall be sold for a price less than the par value thereof and accrued interest thereon. No commission, directly or indirectly, shall be allowed upon the sale of said bonds or any of them.

"The funds other than accrued interest and/or premiums received from the sale of said bonds shall be credited by the State Treasurer to the 'Relief Bond Fund.' Any amounts received as accrued interest and/or premiums from the sale of said bonds shall be placed to the credit of a fund designated as 'The Texas Relief Bond Sinking Fund, Fourth Series.' Both of said funds shall be deposited in accordance with the depository laws of the State of Texas for the deposit of other State funds.

"Sec. 4. Texas Relief Bonds, Fourth Series, shall be redeemed and retired in the following manner:

"In obedience to Section 51-a of Article III, of the Constitution which places upon the Legislature the duty of making such appropriations as are necessary to pay the interest and principal of such bonds as the same become due, there is hereby appropriated out of all revenues received from all sources except from taxes on real property, for each and every year that any Texas Relief Bonds, Fourth Series, are outstanding, a sum sufficient to pay the principal and interest on such bonds as the same becomes due. From and after the effective date of this Act and until all Texas Relief Bonds, Fourth Series, have been retired, the Treasurer of the State of Texas, as he receives any and all

monies (from sources other than taxes on real property) for the use and benefit of, and which under the present law would go to the General Revenue Fund of the State, shall first, before such monies go into the General Revenue Fund, annually set up out of such monies a special and separate fund in anticipation of and sufficient to meet all interest and maturity requirements on said bonds for the fiscal year next succeeding, which said fund shall be deposited to the credit of 'Texas Relief Bonds Sinking Fund, Fourth Series.' In event the revenues thus received by the Treasurer shall be insufficient to meet said anticipated maturities of principal and interest, there is hereby appropriated from revenues received from all sources other than from taxes on real property, not otherwise specifically appropriated by the Constitution, sufficient money to meet said anticipated maturities of principal and interest, and the Treasurer is hereby ordered to place said additional monies in the said sinking fund. Said Texas Relief Bonds Sinking Fund, Fourth Series, shall be kept by said State Treasurer as a separate fund out of which the interest on said Texas Relief Bonds, Fourth Series, shall be paid, and out of which said bonds shall be redeemed and retired as they become due, and the same is hereby appropriated for each and every year while such bonds, or any of them are outstanding, for the purpose of paying the interest and principal of said bonds as the same become due; it being the intention of the Legislature, and the Legislature hereby does set apart, preserve and appropriate an adequate fund to pay off and discharge the principal and interest of said bonds as and when the same become due and payable.

"Sec. 5. If, on the twenty-sixth day of August, A. D. 1935, any of the bonds which have been authorized herein have not been sold, it shall be the duty of the State Treasurer, in the presence of the other two (2) members of the Bond Commission, to destroy by burning any unsold bonds and all interest coupons appended thereto. After said bonds shall have been destroyed by burning, as above provided, it shall be the duty of said members of said Commission to make a certificate in writing to the effect that said bonds were destroyed in accordance with the provisions of this

law, giving the date on which said bonds were so destroyed by the State Treasurer, and file said certificate in the office of the Secretary of State of the State of Texas. As the bonds mature and are paid, they shall be forthwith destroyed and report thereon filed in like manner.

"Sec. 6. If, at the time the State Board of Control ceases to administer the duties imposed by this Act, there shall remain with the State Treasurer any sums of money which have been derived from the sale of any of said bonds, it shall be the duty of said State Treasurer to transfer said money out of said special account to the 'Texas Relief Bond Sinking Fund, Fourth Series.'

"Sec. 7. Any owner or holder of any of the bonds herein issued, in the event of default in the payment of said bonds, or of any interest payment thereon, shall have and is hereby granted the right to institute a suit, or suits, against the State of Texas, in any court of competent jurisdiction in Travis County, Texas, for the purpose of enforcing payment thereof. Only those who are bona fide resident citizens of the State of Texas shall be employed to perform any of the functions hereby authorized. Said Board of Control shall adopt strict rules and regulations to be faithfully observed by case workers to the end that those who can obtain work or provide at least a part of their keep shall do so under penalty of perma-

for an assistant or assistants and clerical help and to pay office and traveling expenses necessary for the purposes of carrying this Act into effect; provided further, that the Board of Control may continue the hospitalization of such patients in such recognized established tuberculosis sanatoria and pay for such hospitalization out of any remaining available Texas relief funds until funds from the sale of the Texas Relief Bonds, Fourth Series, are available and said funds so expended shall be deducted from the four per cent (4%) herein authorized to be expended for said purpose out of the proceeds from the sale of Texas Relief Bonds, Fourth Series, so that in no event shall said sum so expended for said purpose exceed four per cent (4%) of the proceeds from the sale of Texas Relief Bonds, Fourth Series; and in the event that relief funds are not available prior to the receipt of funds from the sale of Texas Relief Bonds, Fourth Series, for such purposes then and in that event, the said Board of Control is hereby authorized to continue the hospitalization of such indigent tubercular patients in said recognized established tuberculosis sanatoria until said funds from the sale of Texas Relief Bonds, Fourth Series, are available and to pay for such hospitalization of said patients from the proceeds from the sale of said Texas Relief Bonds, Fourth Series, after said funds are available, provided, that in no event shall the sum so expended exceed four per cent (4%) of the proceeds from the sale of said Texas Relief Bonds, Fourth Series.

Provided, however, that the amount authorized to be expended for such purposes shall not exceed two dollars and fifty cents (\$2.50) per day per patient. Such hospitalization shall be authorized only in cases where special care is essential to the preservation of life and health, and the same can not be otherwise adequately secured.

"(g) The Board of Control is hereby authorized and empowered to use any funds that it may receive from the Federal Government, or any agency thereof, and any equipment and supplies therefrom, for the purpose of processing and preserving for human use or consumption any food or clothing products for use by the citizens of this State eligible for relief granted under the laws of this State and under such rules and regulations as may be prescribed by the said Board of Control.

"(h) The State Board of Control is hereby authorized to use not to exceed one per cent (1%), or so much thereof as may be necessary, of the proceeds of the Texas Relief Bonds for the purpose of distributing food and/or clothing supplied by any agency of the Federal and/or State Governments, in instances where the Federal Government will not bear the cost of such distribution.

"Sec. 13. Provided, that no funds derived from the sale of the bonds issued shall be disbursed to or expended for the benefit of any citizen who has not been a bona fide resident of the State of Texas for a period of two (2) years immediately preceding application for relief.

"Sec. 14. The funds belonging to the 'Relief Bond Fund' shall be disbursed by warrants drawn by the Comptroller of Public Accounts on said fund in the payment of allocations made and approved by the State Board of Control, which approval shall be reflected by the minutes of the Board of Control, signed by its chairman, and attested by its secretary provided for herein, and filed with the Comptroller of Public Accounts. In case of emergency the Board of Control may authorize the disbursements of funds by the director under such rules and regulations as may be promulgated by the Board of Control and as may be evidenced by the minutes of said Board of Control; provided that such warrants shall be issued by the Comptroller of Public Accounts against vouchers signed by the director, or by someone authorized by him in writing, and countersigned by the secretary, as herein provided, or by someone authorized by him in writing, in amounts not exceeding in the aggregate the amount allocated by the Board of Control, to any payee, as evidenced

by its minutes as signed, attested, and filed as hereinbefore provided.

"Sec. 15. Each member of the Board of Control shall receive, in addition to the salary now provided by law, the sum of one hundred dollars (\$100) per month beginning March 1, 1935, but only for so long a time as there may be funds available from the herein provided for funds, and relief therefrom is being administered in this State, payable in the same manner as the present compensation is paid out of the funds herein provided for, as well as the necessary traveling and other expenses of such members and employes of the Relief Commission Division of the Board of Control. The Board of Control shall pay the employes herein provided for and heretofore provided for such funds as compensation as the said Board may deem just and proper, and may hire and discharge such administrative officer and employes from time to time as they deem best for the interest of the people.

"Sec. 16. Any case worker, county administrator, or other employe engaged under the provisions of this Act who shall engage himself in the political interest of any candidate or who shall attempt to influence any voter on any political issue, shall be immediately discharged upon being proved guilty of such activity and shall never again be the beneficiary of the funds authorized by this Act, either as an employe or as a relief subject.

"Sec. 17. If and when it has been shown that employment at the prevailing wage scale of the county has been offered a person who is physically able to work who is upon the relief rolls and that said person has refused to accept such employment at the prevailing wage scale, it shall then be the duty of the county administrator to refuse further relief to said person and, in addition thereto, shall notify the State Board of Control of the name, address, and circumstances of such case. Provided, the Board of Control may appoint and discharge in any county where relief is administered a grievance committee to be composed of three (3) reputable citizens who shall serve without compensation and whose duties shall be to hear and consider grievances and shall make reports with recommendations to the Board of Control. A copy

of each such report shall immediately be filed with the chairman of the county relief board.

"Sec. 18. The Board of Control is hereby directed to seek the co-operation of the Federal Relief Agency so that changes may be procured in the Federal rules and regulations applicable to the expenditure of Federal funds and funds expended and contributed to jointly by this State and the Federal Government; said changes to be procured so that the relief funds can be more economically and judiciously expended, and so that the relief program will not hamper the recovery of the farming, ranching and industrial activities of this State.

"Sec. 19. Any person, or persons, charged with the duty of responsibility of administering, disbursing, auditing, or otherwise handling the funds provided for in this Act, and who shall knowingly misappropriate any such funds, or who shall knowingly and/or unlawfully distribute or expend any of same, shall be deemed guilty of a felony, and shall, upon conviction thereof, be confined in the State penitentiary for a term of not less than one year and not more than five years.

"Sec. 20. Any person or persons who shall knowingly make any false statement or misrepresentation in order to procure any sum or sums of money or other relief provided by this Act, or secure any relief or funds under any other than his true name, shall be deemed guilty of a misdemeanor, and shall, upon conviction, be punished by a fine of not less than ten dollars (\$10) nor more than fifty dollars (\$50), or be confined in the county jail for a period of not exceeding three (3) months, or by both such fine and jail sentence.

"Sec. 21. If any section, clause, or sentence in this Act should ever be held to be unconstitutional, such holding shall not affect the remaining portions hereof.

"Sec. 22. Sections 11, 14, 18, 19, 25, 27, and 32 of Chapter 34, Acts of the Third Called Session of the Forty-third Legislature, be and are hereby repealed.

"Sec. 23. The fact that the relief funds provided through the passage of this Act and the issuance and sale of bonds thereunder, is of vital importance to the State of Texas and the people thereof, create an emergency

and an imperative public necessity that the constitutional rule, requiring bills to be read on three separate days in each house, be, and the same is hereby suspended, and that this Act shall be effective immediately from and after its passage, and it is so enacted."
